

## How to apply:

### Discount on parking fees for battery electric cars in Espoo

Battery electric cars are entitled to a 50% discount on parking fees. The discount is granted based on the car's registration number and the Traficom database.

You can apply for the discount through the [City of Espoo feedback form](#).

Enter the registration number of your battery electric car under "Feedback text" and give your contact information.

The city will inform Espoo's mobile payment service providers of your entitlement to a discount. The discount will take effect in about a week.
