CUSTOMER CONDITIONS: Morning activities will open at 7 am and will last until the start of the child's school day. Children are offered breakfast in the morning, and they are under the service provider's insurance during the morning activities. Morning activities are organized on every school day except school holidays and possible Saturday school days. The morning service agreement is valid for a maximum of 10.8.2023-1.6.2024. The other terms and conditions mentioned in the service contract for afternoon club are in force, however, so that the provisions on customer charges, their reduction and termination are not applicable to morning activities.

The morning activities contract can be terminated with the notification time of two calendar months. For example, the notice of termination of 15 November 2023 will enter into force on 1 February 2024.

The contract does not automatically expire if the child stops attending the morning club. You always need to end the contact in a written form for example with email.
